#### DEDICATION

This product is dedicated to those players who volunteer their tireless efforts to make the game system and its products better.

# SUPPLEMENTARY ANNEXES

**MODULE G3A: SUPPLEMENTARY ANNEXES** includes additional annexes with key data covering the entire Alpha Octant, completely updated and in some cases entirely new.

**TABLE OF CONTENTS:** Covering the entire *Star Fleet Battles* game system for the Alpha Octant.

**ANNEX #5 ABBREVIATIONS:** An updated and complete list of all those codenames and pesky acronyms.

**CARRIER ESCORT TABLES:** An entirely new annex never before available in printed form, this lists every carrier in the Alpha Octant and its ever-changing escort and fighter groups.

**MASTER SCENARIO INDEX:** Listing every Alpha Sector *Star Fleet Battles* scenario, including year, number of ships, which empires were involved, and special features. A secondary index allows players to access the Master Scenario Index by year.
