**A BRIEF HISTORY OF THE
ANDROMEDAN WAR**

A Lot to Chew...

Last issue noted how many products were stacked up in line for publication, including: the *Federation Commander Tactics Manual*, *Federation Master Starship Book*, *Captain's Log #49*, *A Call to Arms Star Fleet Book 1.2*, *F&E Minor Empires*, *F&E Fighter Operations 2014*, and *Federation Admiral*. As expected, this huge amount of work refused to pay attention to any kind of schedule, and each product required more time than expected. Some of them haven't been done yet. Even so, it's only been a few months since *Captain's Log #48* and we have made considerable progress. The *FC Tactics Manual* is out, *FMSB* needs only a day or two of work, we have the complete manuscripts for *ACTASF1.2*, *F&E: ME*, and *F&E: FO14* on hand, and a good start in *Captain's Log #50*.
