

# MYSTIC ADVENTURES CITY

*A Mystic Adventures Expansion*

**Avalon Games**

The crowds push against your shoulders as you try to press your way down the street, but even over the heads of the men and woman you can spy the blue tile rooftops of castle Mordenhelm. You think on that great castle for a moment, the fortress has been the home to many a king. Someday it will be yours as well, you ponder, when you rule all these fools about you.

Mystic Adventure, City, takes one of the most important places in the mystic lands, the city of Mordenhelm, and expands upon what you can do there. No longer is it just a small region among many, but now a place all to itself. Enter the walls of this great city and you can find all you might need in your quest to become the ruler of the lands about you. Wealth, power, lore and danger all wait for those that brave the many city streets and back allies of this great metropolis.

### Introduction:

Mystic Adventures, City allows players to explore the great city of Mordenhelm, and there continue their adventures and quest for power. The rules provided here are meant to expand the game, and so all players should agree to which they will use. For the most part these rules only apply to events within the city itself. Still, all players should agree before the game begins as to which rules to use.

### The City Map:

When the game start, players should lay out the city map tiles somewhere on the playing area, and then shuffle

both the city cards and the purchase cards and place both decks in the correct location on the city map board.

### Movement Within the City

Conduct the game as normal, but when a player lands on the city region of Mordenhelm, the character's counter is removed from the main map board and their counter placed on the city gate region of the city map board. Thereafter the character can move about the city as they wish and in a normal fashion. To leave the city, the character must return to the city gate region and from there, return to the main map board. Note that the character can do

### **Arcanum**

An exciting adventure game of magic, glory and exploration. Set for 2 or more players, the game uses a unique chip system to resolve all events and encounters. Now with four great expansions.

### **Board Games**

Avalon makes some great board games, great games at a great price. Arcanum, Mystic Adventures, Dragon Lords and Junkyard Wars are but a few of our great titles.

### **Battle Tiles**

Battle Tiles, Avalon Games, is a fun, and exciting way to improve your gaming experience. Use these high quality map tiles to create new and challenging battle arenas for your miniature gaming, or use them to create maps for role playing games of all types.

Each square is set to a 1" to 5 foot scale, and each tile is created so you can interconnect them with other tiles to create massive settings for adventure and battle.

At a cost of less than fifty cents a page, and hundreds of possible combinations, you can't go wrong with Battle Tiles, so get started and have a battle to remember.

### **Mini-Games**

Avalon Games is happy to offer tons of little games, that we like to call Mini-Games, and with over 30 titles, you are sure to find one or more games that will blow your mind. Little, however, does not mean lame. No, these are great gaming gems, just in small bite sized forms. Fun, fast and cheap, they are a great way to get some gaming fun into a short block of time. Have a look, you might be surprised at what you find.

### **Worlds of Wonder**

Worlds of Wonder is a fast, simple to play RPG system designed for use by advanced players who wish to create detailed characters without having to roll on endless charts and deal with endless rules.

After 30+ years of playing, running and designing games, be they RPG's or board games, we at Avalon have come to one conclusion. Its not the game's rules that make it enjoyable, but the people you play with. With that in mind, Worlds of Wonder takes the most important aspect of any RPG, the character creation, and tries to offer players, and their GM, the tools needed to make the time spent playing together well worth the time spent creating the characters.

### **Worlds of Wonder Expansions**

Want more Worlds of Wonder? Try one of the many expansions for the system. More monsters, foes, magic, skill sets and gaming stuff to keep you occupied for weeks, months, hell maybe for a lifetime. Ever expanding, the WoW system is made for gaming fun, so don't wait, have an adventure and enter Worlds of Wonder.

### **Arcana**

Arcana is generic world, designed for use with any Fantasy RPG System, and so the information presented here and in other Arcana expansions will of course be a bit vague as to stats, levels and powers. The intention is to give the GM and players a world rich in personality, history and depth, one where they can seek adventure, but use any RPG system they feel most conferrable with.

The basics of the game world are presented here in the core book, but as expansions are released, the complexity of the world will grow as more and more of its history, dangers and wonders are explored. When it is all said and done, Arcana will become a vast world of detailed and expansive depth, one where that you and your friends can full explore.

### **Game Geek**

Avalon's Monthly game magazine, inside you will find tones of gaming goodness, Free game, add on materials for many of Avalon's titles, and a monthly section dedicated to S&G, Battle Ax and Arcana. Great game stuff each and every month.

**Arcanum**

(Click here to visit this products page at RPGNow)

Your training in the great halls of magic is now over, the years of hard work and difficult study finally coming to an end. Tomorrow you will begin your long journey, one each graduate of the tower must take, a journey of adventure, danger and riches. You will need all your skills to survive this quest, but you are ready, for your magic is strong and your will is like iron.

Arcanum is a simple to play, but complex game of adventure and magic, a game where players seek out the destiny of their character as they travel about the many magical lands on a unique game board. Players will need to achieve a set of victory conditions if they wish to win the game, conditions that they have set for themselves before the game even begins. Encounter monsters, dangers and companions to aid you in your quest, and along the way you may even join other players as you each try to achieve some great deed. That or you may find that you have to battle these players as they seek to steal from you all your gathered magic and riches. Allies can turn into enemies with a blink of the eye, so you must walk your path with caution.

Arcanum uses a unique system of "Chips" to resolve all conflicts, so no dice are ever used. This creates a game where luck has no place in the final outcome, but rather your skills at thinking ahead and planning determining whether you will win the game or not.

**\*Arcanum comes with 15 fully illustrated, full color map tiles.**

**\*16 full color, stand up character counters, each an illustrated portrait of a different character.**

**\*Over 80 spells, from four different fields of magic.**

**\*Over 100 other game cards, each offering information on quests, treasures, equipment, companions and more.**

**\*A fully illustrated rules book of over 30 pages full of charts, rules and information on how to play the game.**

**\*Player charts, handouts and other game aids to make the experience a faster, smoother game.**

# S & G Battle System

Avalon's premier game system the S&G battle system allows you to play skirmish level engagements, and do so with a fast, easy to learn system that also allows for endless expansions and genres. With S&G you can fight battles between fantasy based elves and rocs, or blast off into the cold hard future with space marines and aliens.

Weapons	As mod	Damage mod	Notes
Scimitar	-1	+1	-
Dagger	+0	-1	-

### Special Abilities

- 1. Savage Blow (Attack, 3)**  
Grom can make a single savage attack, often killing a foe outright with a single blow of his deadly scimitar. You must declare this ability is being used before Attack Dice are rolled. On a single attack, Grom may add +2 Attack Dice to his total for that attack. (With no limit to the number of dice that can be rolled)
- 2. Command (Move, 2)**  
Grom may use his loud demanding bellows to command other orcs near by. When this ability is used, Grom may activate any one orc character, who is within five squares. This activated character may perform one action. (Note that the character may still take their normal actions when their turn comes up.) Gram may perform this ability but once a turn.
- 3. Shatter Shield (Attack, 1)**  
Grom often shatters shields and weapons with his mighty blows. Declare this ability before the Attack Dice are rolled. If Grom scores a hit, instead of doing any damage, he may shatter, and thus destroy, a foe's readied weapon or shield (Your choice.) If the foe does not have a readied weapon or shield, then this ability has no effect.  
Magical items gain a save. Roll 1D6, and on a roll of 6+, the item resists the effect. Per five points of the item's cost, over the first five points, adds an extra +1 to the die roll is gained.

Battle Axe is a simple to play tabletop system for skirmish level battles. Using cards instead of dice, you will find the game to be less luck based and much more tactical in nature. The rules and cards provide here will be enough to get you started, and new characters and rule expansions are on the way so you can continue to increase both the size and composition of your War Bands.
