THOSE DARN NINJAS. THEY'RE WACKY.

Ninjas — who doesn't love 'em? The little scamps are everywhere from history, to novels, to comic books, to movies, to video games, just as cute as the dickens in their little black costumes... until they stick someone with a big, sharp sword or pepper him with shuriken. Since they're so popular in so many genres, many gamers like to use them in games or as the basis for a Player Character. To help with that, *Ninja Jamboree* has character sheets for eleven ninja, ranging from serious "generic" ones suitable for any game to some individual or humorous ones just for fun.

"NINJAS AREN'T DANGEROUS.
THEY'RE MORE AFRAID OF YOU
THAN YOU ARE OF THEM..."

-- The Tick, "Night of a
Million Zillion Ninja"

HERO PLUS ADVENTURES

Ninja Jamboree is one of Hero Games's *Hero Plus Adventures*, a series of short, no-frills, inexpensive adventures in PDF format. Hero Plus Adventures are designed to provide roughly one game session's worth of entertainment, though some of them (such as this one) are a gaming resource more than a specific adventure *per se*.

PRINTING

The general statement on the credits page notwithstanding, DOJ, Inc. grants each purchaser of *Ninja Jamboree* permission to make one (1) printed copy of this document.
