## **MAELSTROM: BEGGARS' COMPANION**

The classic Maelstrom RPG provides the core system to run many styles of Tudor and Elizabethan adventure, playing characters from all manner of livings in exciting adventures.

This book provides new options and ideas for a Maelstrom campaign focused entirely on the lowest of the roguish livings, the beggar. Packed with options, background and adventure ideas, the *Beggars' Companion* can form the basis of a beggar-focused campaign or serve as a source of ideas to expand your own adventures.
